

Car Park Rules

1. Scope

These Car Park Rules apply to the areas designated as a car park in 2483 Erbreichsdorf (hereinafter the "Car Park"), operated by Live Nation Austria GmbH (Alser Straße 21/9, 1080 Vienna) (hereinafter "Operator") and govern the rights and obligations of the participants (attendees, the Organiser and its employees or persons and companies commissioned by it). The Car Park Rules shall be clearly displayed at all vehicle entrances. By entering/driving onto the Car Park, attendees submit to these Car Park Rules. Persons using the Car Park must comply with the provisions of the authorised and published Car Park Rules. Otherwise, they will not be permitted to remain in the Car Park.

2. Scope / Event time

These Car Park Rules apply to all Car Parks during the Event "Racino Rocks" during their opening hours – Car Park for early arrivals: 3 p.m. on 31 May 2024 until 12 midday on 2 June 2024, regular Car Parks 8 a.m. on 1 June 2024 until 8 a.m. on 2 June 2024. A Car Park includes all areas and paths used in the course of parking.

3. Orders from stewards and security staff

The orders of stewards and security staff must be followed; they apply in addition to these provisions.

4. Applicability of the Austrian Road Traffic Act / use of the parking areas

The use of Car Parks is only allowed for individuals who possess a valid ticket for the aforementioned Event. The Road Traffic Act (StVO) applies in all parking areas. Vehicles must be driven at walking speed at all times in the parking areas. Only vehicles with a maximum authorised weight of up to 3.5t may be parked in the parking areas. Parking in unmarked areas is prohibited and will be prosecuted; vehicles may only be parked in approved parking areas or car parks. Vehicles parked outside marked parking areas or causing an obstruction on roadways or in rescue lanes may be towed away without warning. The towing fees will be charged to the person responsible for the obstruction. There is no entitlement to being granted a specific parking area within the category booked. Parking areas are opened as required and allocated to attendees by stewards. Escape and rescue lanes must be kept clear of any obstructions at all times. By the end of the opening hours, all vehicles must have left the Car Park.

5. Termination of parking permits

A parking permit will be cancelled if the parked vehicle is uninsured and/or subject to compulsory deregistration and/or has no official number plate with a valid inspection tag and/or the vehicle has been parked with a leaking tank/engine or in an unroadworthy condition or in a condition that could pose a hazard.

6. No monitoring of car parks

The vehicles parked in the car parks are not monitored. Vehicles are parked at the owner's risk. Stewards are employed for marshalling and for checking access authorisations, not for vehicle monitoring.

7. Liability of the Organiser

The Organiser is generally not liable for damage due to theft or damage to the vehicles parked in the Car Parks. The Organiser is generally not liable for damage and losses incurred by users and attendees due to burglary, theft, fire, natural phenomena, or other incidents. The liability limitations in this section 7 are subject to the restrictions according to the provision in section I. 3 (liability of the organiser) of the Event T&Cs.

8. Rescue lanes Ground markings or other signage of the escape routes and rescue lanes must be observed. They must be kept clear under all circumstances.

9. Prohibition of animals

Animals, with the exception of guide and companion dogs, are not permitted in car parks. Dogs, with the exception of guide and assistance dogs, must wear a muzzle and be kept on a lead. Guide dogs and partner dogs must wear a lead harness.

10. Exclusion from the Event Failure to comply with the parking rules may result in temporary or complete exclusion from the entire Event.

11. Other instructions/information

The current notices and the instructions of the on-site stewards as well as the current information on the official homepage Event website apply in addition to the Car Park Rules.

12. Behaviour in the event of a storm

Please note that in the event of a storm, all persons are responsible for taking appropriate protective measures. In particular, standing under trees and in the immediate vicinity of technical structures can pose a hazard and should therefore be avoided. In the event of storms or similar weather conditions, barbecues may be prohibited for safety reasons.

13. Ban on staying overnight/camping

Camping and pitching tents, or setting up overnight camps on Car Parks, is strictly prohibited. Exception: the specially designated Car Park for early arrivals – sleeping in your car is allowed here.

14. Rubbish

In the interests of nature conservation, disposing of rubbish in the parking areas, except in designated containers, is prohibited.
